## Education

**Bachelor of Arts:**

**University of Oregon**

Advertising / Journalism

Class of 2013

## Profile

**Hello, I'm Courtney.** I'm a multi-disciplinary graphic designer and native Oregonian. I come to work every day stoked that I get to create things that have never existed before, and improve on things that were built by those before us. I can't think of a better way to spend my time. It's so good to be here.
