

Courtney Hendricks

Hello, I'm Courtney, a multi-disciplinary designer and native Oregonian. After spending over seven years in the industry, I've gone back to school to further pursue my love of branding, illustration and motion design.

I believe in asking questions, learning new skills, and solving creative problems with empathy. It's so good to be here. ♥

Experience

2016 **GRAPHIC DESIGNER**
2023 *Anvil Northwest*

Staff Designer at a Southern Oregon creative agency. My role focused on branding, TV spots, print design, and large-format graphics. Throughout my time there, my work grew to include illustration, motion design, and directing larger efforts.

I conceived of and organized the Roseburg Mural Project; a collaboration with our client, Experience Roseburg, who was looking to increase tourism. I sourced and managed PNW muralists, and art directed murals on 5 local businesses to completion.

2014 **COMMUNICATIONS MANAGER**
2016 *Umpqua Valley Arts*

Nonprofit bringing art to under served communities. My role was to promote cultural events, programs, and exhibitions. I designed print collateral, event identity, and wayfinding/signage. Other responsibilities included social media management, writing press releases, producing newsletters, & assisting in hanging art shows.

2012 **GRAPHIC DESIGNER**
2013 *EMU Marketing & Design*

University of Oregon design shop run by industry professionals to mentor paid student designers. My role included designing event print collateral, websites, and studio photography.
